PROFESSIONAL SUMMARY

Senior recruiter with 5+ years of full-cycle delivery across UK, US and international markets. Specialist in hard-to-fill, technical and senior hiring — consistently cutting time-to-hire by 40% and maintaining 85–90% offer-acceptance rates across contingent and RPO engagements. Integrates AI-powered workflows and Boolean/X-Ray search to improve sourcing speed without sacrificing candidate quality. UK citizen, fully remote-ready across UK, US and EU time zones.

KEY ACHIEVEMENTS

- **40% reduction in time-to-hire** — delivered through structured intake frameworks, Boolean sourcing and redesigned screening workflows across multiple RPO engagements.
- **5 long-open vacancies filled within 8 weeks** — rebuilt the sourcing and intake process for a US digital marketing and technology RPO client with stalled pipelines.
- **200+ hires per month at peak (team output)** — part of a high-volume RPO delivery team, owning my share of sourcing, screening and pipeline throughput across concurrent campaigns.
- **85–90% offer-acceptance rate** — achieved through proactive candidate management, accurate salary benchmarking and thorough interview preparation.
- **95% client satisfaction** — maintained across multiple engagements and markets through strong stakeholder communication and delivery consistency.
- **50+ South African professionals** — placed into remote roles across the UK, US and international markets, many in specialist or hard-to-fill disciplines.

PROFESSIONAL EXPERIENCE

Senior Talent Manager (Global Talent & RPO) | Advanced Digital Automotive Group (ADAG)

Mar 2026 – Aug 2026 | Remote · US Market

- Led end-to-end recruitment delivery across digital marketing, technology, operations and senior-management roles in a fast-paced US-facing environment.
- Owned the full recruitment lifecycle: vacancy intake, Boolean/X-Ray sourcing, structured screening, stakeholder communication and offer management — reducing time-to-hire by 40%.
- Built the organisation's first structured hiring function from scratch: intake SOPs, screening frameworks, ATS configuration and KPI-driven pipeline reporting.
- Directed offshore recruitment support across sourcing and screening while retaining full accountability for candidate quality and delivery outcomes.

Co-Founder & RPO Recruitment Consultant | Bridgeway Talent Partners AI

Nov 2025 – Present · Independent consultancy | Remote · UK & International

- Founded and operate an independent RPO and specialist consultancy delivering retained, contingent and project-based recruitment across technical, engineering and skilled-trades markets.
- Own the full recruitment lifecycle from vacancy briefing and sourcing strategy through structured interviews, shortlisting, client presentation and offer management.
- Build evidence-led pipelines using Boolean/X-Ray search, LinkedIn Recruiter, referrals, job boards and AI-assisted sourcing workflows.

- Develop screening frameworks and ATS/CRM workflows to improve pipeline speed, consistency and visibility across concurrent mandates.

RPO & Contract Recruitment Engagements | 2023 – 2025 · Remote · UK / US / International

Independent contractor across a series of embedded RPO engagements (multiple clients, not a single employer) in US digital marketing, technology, high-volume BPO and renewable energy.

- Delivered full-cycle sourcing and screening, structured candidate assessment, pipeline management, ATS administration and stakeholder reporting across each engagement.
- Consistently met volume and quality KPIs in fast-turnaround, high-pressure hiring environments, adapting rapidly to each client's processes and requirements.

Freelance Recruitment Specialist | Top Company Consultants (Pty) Ltd

May 2022 – Dec 2024 | Remote · UK / US / Australia

- Delivered concurrent recruitment assignments for international clients across technology, digital, finance/FinTech, operations and specialist professional markets.
- Managed sourcing, qualification, interview coordination and stakeholder communication across multiple live mandates simultaneously.
- Used proactive Boolean/X-Ray sourcing, market mapping and direct outreach to surface passive and active candidates for specialist and hard-to-fill requirements.

Medical Recruiter | British Nursing Association / A24 Group

Mar 2021 – Nov 2022 | Cape Town · UK Healthcare Recruitment

- Delivered full-cycle recruitment for UK healthcare clients — Nurses, Carers and Pharmacists — across concurrent high-volume mandates.
- Managed structured screening, compliance checking and credential verification within a tightly regulated hiring environment.
- Maintained strong candidate relationships through proactive engagement, interview preparation and consistent follow-through.

Earlier Career | Global Travel & Client Operations · ~10 Years (Lufthansa InTouch & Key Travel)

Senior international client-facing roles — strong foundations in stakeholder management, negotiation, service delivery and high-pressure operational coordination across time zones — directly transferable to senior recruitment delivery.
